### ADMINISTRATIVE RULES, REGULATIONS & POLICIES

#### SECTION 1. GENERAL POLICIES

A. The Coast Soccer League Gaming Circuit (CSL Gaming Circuit) was created and established to operate a competitive gaming circuit designed to offer the highest and best competition in Southern California.

#### SECTION 2. LEAGUE ADMINISTRATION

A. The CSL Gaming Circuit shall be administrated by the Coast Soccer League Board of Directors who are elected every even year at the Coast Soccer League Annual General Meeting by the representatives of teams who are actually registered by Coast Soccer League and played in the Coast Soccer League Gaming Circuit the previous season.

#### SECTION 3. CLUBS/LEAGUES OF REGISTRATION ADMITTANCE INTO THE CSL GAMING CIRCUIT

A. No Club or League of Registration shall be a member of, or a participant in, the CSL Gaming Circuit. And, inasmuch as Clubs and/or Leagues of Registration are not members or participants in or of the CSL Gaming Circuit, they have no rights of any nature or description, no privileges of any nature or description and no expectations of any due process requirements as required by Cal South, USYS and/or USSF.

B. A Club and/or a League of Registration may apply to the CSL Gaming Circuit to be accepted for the current playing season only as an administrative organization for the sole purpose of assisting any team or teams from its club that apply to participate in the CSL Gaming Circuit in order to meet its team's CSL Gaming Circuit team participation requirements, i.e. field permits, referee recruits, teams per field requirements, payment of team circuit participation fees, etc. The approval by the CSL Gaming Circuit for a Club and/or League of Registration to act as an administrative organization for its teams participating in the CSL Gaming Circuit expires on the last gaming day of the current CSL Gaming Circuit season.

C. Each season, a Club and/or League of Registration must re-apply to the CSL Gaming Circuit to be approved as an administrative organization. Clubs/Leagues of Registration shall have no right or expectation that because it was approved the prior year as an administrative organization, it will be approved the following year. Each seasonal year is a new year and each Club and/or League of Registration must re-apply and meet all the CSL Gaming Circuit Club/League of Registration requirements as set forth below:

1. All Clubs/Leagues of Registration requesting acceptance as an administrative organization shall submit a completed Club/League of Registration application form. Incomplete forms shall be returned, in which case a decision on the Club's/League of Registration's acceptance as an administrative organization shall be deferred until completed forms have been received. Forms MUST be received on or before the application closing date as set forth on said forms or the application shall be rejected.

2. All Clubs/Leagues of Registration applying shall abide by the founder's mandatory pre-requisite and shall place into the gaming circuit, at a minimum, the most competitive teams in their respective clubs and will register, at a minimum, the most competitive players in their club to its teams participating in the CSL Gaming Circuit. Any Club/League of Registration that is unwilling to adopt and adhere to the mandatory pre-requisites stated herein may not be accepted as an administrative organization.

3. All Clubs/Leagues of Registration applying shall have a minimum of five (5) 11 v 11 teams (not counting Premier teams); field permits for Saturday and Sunday use from September to end of November (the Field Parameter data must be input online); and be approved by Cal South as a League of Registration.

4. Clubs/Leagues of Registration who have not previously applied to the CSL Gaming Circuit requesting to act as an administrative organization must start the application process prior to April 1<sup>st</sup> and shall provide the CSL Gaming Circuit with the Club's/League's proposed name, a copy of its filing for a 501(c) 3 IRS approval letter and its request to Cal South that the club/league is requesting to be sanctioned as a Cal South League. The above referred to information must be submitted to the CSL Gaming Circuit by May 1<sup>st</sup>.

D. No Club and/or League of Registration requesting acceptance as an approved administrative organization combined with any of (but not limited to) the following: its affiliates, associates, partners, parent entity, subsidiaries, joint ventures, managing partners, limited partners, equity owners, and/or financial backers shall be permitted more than five (5) teams in any one age group by gender from U8 to U19. Clubs may request an exemption to this provision by petitioning Coast Soccer League for said exemption and stating the reason for said exemption.

E. Clubs/Leagues of Registration who are accepted by the CSL Gaming Circuit to act as an administrative organization on behalf of its team who are accepted into the CSL Gaming Circuit for the current season are required to fulfill the following responsibilities as outlined in SECTION 13. FIELDS AND ETIQUETTE; SECTION 14. TEAM COLORS, UNIFORMS AND PLAYER SAFETY; and SECTION 17. SCHEDULING.

F. In addition, any Club/League of Registration that has been accepted as an

administrative organization for its teams agrees to be responsible for a fee of \$500 for any of its teams that drops/withdraws from the CSL Gaming Circuit after August 1<sup>st</sup> and further agrees to be held responsible for a fee of \$25 per day for each day after August 1<sup>st</sup> that passes before the team withdraws/drops, not to exceed a total fee of \$1000 per team.

G. The CSL Gaming Circuit is not required to accept any Club and/or League of Registration to act as an administrative organization and specifically reserves the right to deny acceptance to any entity that, in the CSL Gaming Circuit's sole opinion, does not meet the requirements as set forth above.

#### SECTION 4. TEAMS ADMITTANCE INTO THE CSL GAMING CIRCUIT

A. Teams requesting admittance into the CSL Gaming Circuit shall submit a completed team application. If the team does not have an accepted Club/League of Registration to act as its administrative organization, the team must receive permission from CSL to apply to the CSL Gaming Circuit as a CSL At Large Team and, if accepted, CSL may assign the team a playing field and assess its referee obligations. However, CSL does not register At Large Teams so the applying team must make arrangements for its players to be registered by an approved Cal South League of Registration.

B. Incomplete applications and/or forms shall be returned, in which case a decision on the Team's acceptance shall be deferred until all completed applications and/or forms, have been received by the CSL Gaming Circuit. Applications, fees and all forms MUST be received on or before the application closing date as set forth on said application or the application shall be rejected.

C. The CSL Gaming Circuit Play Dates are from the weekend after Labor Day through the weekend before Thanksgiving for high school age teams and from the weekend after Labor Day through the third (3<sup>rd</sup>) weekend in December for younger non high school teams. By submitting a team application to the CSL Gaming Circuit, the entire membership of the team is acknowledging that the team will be available to play on each and every play date with no exceptions.

D. The CSL Gaming Circuit reserves the right to deny admittance to any team (new or returning) applying to participate in the gaming circuit.

E. For each competitive new season, a Team must re-apply to the CSL Gaming Circuit in order to be accepted as a participating team for the current season. Teams shall have no right or expectation that because it was accepted the prior year as a participating team, that it will be accepted the following year. Each seasonal year is a new year and each team must re-apply and meet all the CSL Gaming Circuit's requirements as set forth below:

1. Teams requesting admittance into the CSL Gaming Circuit shall submit a completed team application and pay the appropriate fees (including a \$200 performance bond if not previously supplied to the gaming circuit) on or before the registration deadline as set forth on the current season team application.

2. Teams shall be deemed accepted only upon the CSL Gaming Circuit having tentatively bracketed the team and the CSL Board of Directors having approved the tentative bracketing. The team shall be removed from the tentative bracketing should it fail to comply with Subsection 3 below.

3. To complete a team's acceptance, a completed roster of names and email addresses listing a minimum of one (1) administrator, one (1) Cal South licensed coach and a minimum of eleven (11) registered players or seven (7) registered players for short-sided teams must be listed on the CSL Gaming Circuit's online roster on or before July 20<sup>th</sup>. The rosters must be verified with the Club Registrar at the request of the CSL Gaming Circuit. If the minimum number of administrators and players cannot be verified, the team will be placed on a waiting list. The roster will be utilized for the CSL Gaming Circuit mailing purposes.

E. Teams and their administrative organizational Clubs/Leagues must meet all the requirements as set forth in Sections 1 & 3 above before acceptance into the Gaming Circuit will even be considered. In addition, teams shall be denied acceptance into the CSL Gaming Circuit if it or its administrative organizational Club/League have been found in violation of CSL Gaming Circuit Rules and Regulations, Cal South or the appropriate National Association rules and regulations; or due to prior excessive disciplinary problems caused by members of the Team, including, but not limited to, the administrators, coaches, players, parents and spectators.

#### **SECTION 5. TEAM'S WITHDRAWAL FROM THE CSL GAMING CIRCUIT**

A. All application fees and the Performance Bond shall be returned if a team's application is not accepted prior to the start of the competitive season. This provision does not apply to teams who elect to drop or withdraw its team application after May 15<sup>th</sup>. As previously stated, teams shall be deemed accepted upon the CSL Gaming Circuit having tentatively bracketed the team and the CSL Board of Directors having approved the tentative bracketing.

B. Any team that drops/withdraws after its application is submitted to the CSL Gaming Circuit because the team has not become viable and is therefore incapable of participating in any gaming circuit and does so on or before July 20<sup>th</sup>, will only forfeit its Bond. If the team is determined by CSL to be viable, then its BOND and APPLICATION FEE may be forfeited. Any team that withdraws/drops after July 20<sup>th</sup> will forfeit its BOND and APPLICATION FEE as well as any other fee paid the CSL Gaming Circuit through the registration process and will not be readmitted to the Circuit. Any refund provided a team

under this paragraph will not be processed until on or after September 1<sup>st</sup>.

C. When any team in good standing determines that it will not apply for the next CSL Gaming Circuit competitive season, it may request the return of the team's Performance Bond that was paid on its original CSL Gaming Circuit application. The request must be done in writing (or via email) to the Coast Soccer League's office and a registered Team Administrator must sign the requesting letter or email. ONLY in the case that no registered Team Administrator is capable of signing or emailing the letter, the Team's Club/League President may sign the letter. The request must be made within twelve (12) months of the requesting team's last scheduled CSL Gaming Circuit game, or the bond shall be forfeited. Bond refunds will be made after July 1<sup>st</sup> for all requesting teams in order to verify that the 4-digit CSL Gaming Circuit number has been "retired".

D. Should a Club dissolve or elect to no longer participate in the CSL Gaming Circuit and owes any amount on an outstanding CSL invoice, then the Club will be considered to be in bad standing and all the club's existing bonds shall be forfeited.

#### **SECTION 6. COMPETITIVE BRACKETING FOR CIRCUIT PARTICIPATION**

A. BASIC PRINCIPLE: The CSL Board of Directors has the absolute discretion to bracket teams applying for admittance into the CSL Gaming Circuit in any manner that, in the sole opinion of the CSL Board of Directors, will provide the best competition and meet the objectives of the gaming circuit.

B. The CSL Board of Directors may utilize the following guidelines in bracketing teams. These guidelines are advisory only, and the CSL Board of Directors is not required to follow any of them if, in the opinion of the CSL Board of Directors, adherence to the guidelines in a particular case will not provide the best competition or meet the objectives of the gaming circuit. These guidelines do not apply to the CSL Premier League Division of the gaming circuit. As an "Invitational" division, the CSL Premier League sets its own guidelines in order to achieve the most competitive bracketing. Said Premier Guidelines are set forth below in this Section.

**THE FOLLOWING ARE BRACKETING GUIDELINES ONLY AND ARE NOT TO BE CONSIDERED RULES OR REGULATIONS.**

C. Any team that competed in the CSL Gaming Circuit the previous season has no guaranty or right of expectancy that it will be accepted to participate in the CSL Gaming Circuit for the current season. This rule applies to both "returning teams" as defined below and "new teams" as defined below.

#### **DEFINITION OF A “RETURNING TEAM”**

D. Should a team be accepted for participation in the current season, the team shall be considered a “returning team” for bracketing purposes if it meets the following requirements:

1. The team participated in the CSL Gaming Circuit the previous season;
2. The team must have a number of its core players, as determined by CSL, returning to the team. A “returning player” is defined as any player who has a valid player pass for the team in question and played in a minimum of five (5) CSL Gaming Circuit regular season games and/or in the CSL Gaming Circuit “League Cup” with the team during the previous CSL Gaming Circuit season. The names of said “Returning Players” shall be on the team application submitted for acceptance into the gaming circuit. In the event the required returning core players, as determined by CSL, are not listed on the team application, the team may be considered a new team.
3. The team should have a returning administrator who has a valid administrator/coach pass;
4. The team should be playing with or has applied to play out of the same Club/League of Registration with which it played under the previous CSL Gaming Circuit season; and
5. The CSL Board of Directors may make an exception for teams not meeting all of the above requirements based on a recommendation by a Competition Committee or on the CSL Board of Directors’ own motion.

#### **BRACKETING POLICIES FOR “RETURNING TEAMS”**

E. Returning teams, which finished in first (1<sup>st</sup>) place in their bracket the previous season, will be promoted. Should a spot in a higher bracket remain open after all first (1<sup>st</sup>) place teams have been promoted, then Second (2<sup>nd</sup>) place teams and relegated teams may be considered for promotion. A team MAY, at the sole discretion of the CSL Board of Directors, be promoted more than one (1) bracket (e.g. from Bronze to Gold). Returning teams, which placed in fifth (5<sup>th</sup>) place or below the prior season, WILL be considered for relegation (e.g. Gold to Silver Elite). A team MAY also be relegated more than one (1) bracket (e.g. Gold to Bronze).

1. It is the intent of the CSL Board of Directors to promote all first (1<sup>st</sup>) place bracket winners and to consider relegating two (2) teams out of each bracket from the prior season. However, the CSL Board may, in its sole discretion, refuse to promote or relegate teams out of a particular bracket if, in the opinion of the CSL Board, such promotion or relegation will not provide the best competition or meet the objectives of the gaming circuit.
2. The CSL Board of Directors may bracket in Premier, Gold or Silver Elite a premier team from another gaming circuit if, in the opinion of the CSL Board of Directors, such bracketing will provide the best competition and meet the objectives of the gaming circuit. A premier team from another gaming circuit is

defined as a “Premier, Gold or Silver Elite” level team that played in another gaming league the prior season and which, in all respects, qualifies as a returning team.

#### DEFINITION OF A “NEW TEAM”

F. New teams are defined as teams that did not participate in the CSL Gaming Circuit the previous season or teams that do not meet the requirements of a “returning team” as outlined in Section 6, Paragraph E, above.

1. All new teams will be on probation for their first year of participation in the CSL Gaming Circuit and, as such, may be subject to removal from the league without a hearing if the CSL Board of Directors determines that the team has violated any of the Rules and Regulations contained herein.

#### BRACKETING POLICIES FOR “NEW TEAMS”

G. All new teams (as outlined in Paragraph F above) will be bracketed in the lowest brackets offered in each age group, unless, in the sole discretion of the CSL Board of Directors, to do so would not provide the best competition or meet the objectives of the gaming circuit and would then bracket the new team in the bracket that would provide the best competition and meet the objectives of the gaming circuit.

#### SECTION 7. CSL PREMIER LEAGUE DIVISION

A. The CSL Premier League Division of the CSL Gaming Circuit is an “Invitational” League only. Any competitive Southern California Team, who, in the opinion of the Premier Committee, qualifies may be invited to participate in the Premier League. Premier teams from other leagues may be given priority in admittance into the Premier League over other returning CSL Gaming Circuit teams. A Premier team from another league means a Premier, Gold or Silver Elite level team that played in another competitive league the prior season and which in all respects qualifies as a returning team.

B. Any Team that believes it is qualified to participate in the Premier League may submit an application to do so during the CSL Gaming Circuit application period.

C. As an “Invitational” League, The CSL Premier League does not follow all the bracketing guidelines or all of the other rules and regulations set forth herein (Examples are (but not limited to): the number of required returning core players, loan player rules, home and away games, bracket sizes, awards, competition protests and game forfeitures). The Premier League has additional Rules and Regulations that the team must follow in addition to the Rules and Regulations specified herein. Said additional Rules and Regulations are contained in the “Premier Contract” that each Team’s Coach and Manager must acknowledge and sign before the team will be accepted to participate in the

Premier League.

D. For any team that applied to participate in the CSL Premier Division but was not accepted, the Premier Team Fee will be refunded to the Club in its entirety after June 15<sup>th</sup>.

## **COMPETITIVE GAMING CIRCUIT RULES, REGULATIONS & POLICIES**

### **SECTION 8. GENERAL COMPETITIVE POLICIES**

A. All CSL Gaming Circuit games shall be played under the current "Laws of the Game" as published by FIFA, subject to specific CSL Gaming Circuit Rules as created by the CSL Board of Directors and the appropriate CSL Rules and Regulations Committee.

### **SECTION 9. TEAM FEES**

A. All team fees required to participate in the CSL Gaming Circuit shall be determined by the CSL Board of Directors and published by March 31<sup>st</sup> of each year.

## **SECTION 11. PLAYERS, ADMINISTRATORS AND COACHES REGISTRATION REQUIREMENTS AND DOCUMENTATION**

A. The CSL Board of Directors and/or the Competition Committee may request, from any participating team, proof of a player's age, proof of a coaching license, proof of live scan certifications and/or any other documents relevant to authentication as to any issue that may affect the eligibility of any player, coach or administrator who wishes to, or is currently, participating in the CSL Gaming Circuit. The CSL Board of Directors will communicate with the team administrator, either by email and/or a telephone call, requesting the documentation necessary to resolve the issue or issues in question. The CSL Board of Directors will forward a copy of the written request to Cal South and any other appropriate League of Registration. Proof of age, certification of license, live scan certification or any other requested documentation must be submitted to the CSL Board of Directors within seven (7) days of the date of the communication sent to the team administrator. Failure to respond to said request may result in the immediate suspension of the player, coach and/or administrator in question and forfeiture of all circuit games in which any of the parties participated until a Trial Board can be convened.

B. Any allegation or indication of Falsification of Documents received by Coast Soccer League will also be turned over to Cal South for further investigation. If further investigation reveals proof as to the allegations, charges will be filed with Cal South and a request for full prosecution will be filed.

C. All players and team officials and administrators must have a laminated Player/Coach /Administrator Pass issued pursuant to Cal South Rules and Regulations.

## **SECTION 12. LOAN PLAYERS & TRANSFER PLAYERS**

### **LOAN PLAYER RULE ONLY APPLIES TO PLAYERS REGISTERED WITHIN THE SAME CLUB**

A. Any Coast Soccer League team may use loan players in a regular league game providing the following requirements are followed by the team using loan players.

1. The Club intending to use the CSL Loan Player Program (hereinafter referred to as the "Loan Program") must first notify CSL that it will be participating in the Loan Program and will follow, and be bound by, all the policies set forth below.
2. The loan player must already be registered to the same Club, and on a team currently participating in CSL. CSL Premier has a separate regulation regarding this

policy and is covered under the terms and conditions contained in the CSL Premier Contract.

3. Loan Players MAY NOT be loaned to a team that is in a younger age group than the team the loan player is actually registered to, even if age appropriate.

4. The player may only be lent to a team that is in a higher competitive bracket in his or her registered age group; or to the same competitive level bracket or higher in an older age group. For example: a U14 Silver player may be lent to U14 Silver Elite, Gold or Premier team or to a U15 or older Silver, Silver Elite, Gold or Premier team. The player may not be loaned to any Bronze team in any age group. Premier players may only be lent to older Premier teams.

5. The borrowed player's name, Cal South ID Number and the name of the team the player currently plays for must be clearly set forth on the CSL Match Report for the game he/she is to be borrowed. The player's information must be HANDWRITTEN on the Match Report and submitted to the referee and must also be submitted to the opposing team's manager before the game begins.

6. No player shall play for two teams on the same day, therefore, the loan player's name must be crossed off the Match Report of the team which the loan player is actually registered to if that team has a game on the same day the player is to be loaned to another team.

7. Teams may borrow more than one player at a time. The maximum number of players that may be loaned to any one team on any given day is five (5).

8. No player may be loaned to a team for the CSL League Cup Competition at any time.

9. A. In the event the loaned player receives a "Double Yellow/Red" card or a "Straight Red" card as a loan player, the loan player shall not play in his or her own team's next scheduled game or as a loan player in any other game until the player has sat out the number of games required by said "Double Yellow/Red" card or "Straight Red" card. This means the player may not participate in any other games for any other team as a loan player until the player has sat out the number of games required for his or her own team's schedule.

9. B. Should any player receive a "Double Yellow/Red" card or a "Straight Red" card in his/her own team's game, that player may not be loaned to any other team until he or she has sat out the number of games required from his or her own team's schedule.

9. C. It shall be the responsibility of the LENDING team's administrators to determine if the loaned player remains eligible to play with his or her own team once the game for which the player was loaned has been completed.

10. In the event any of the above policies and rules are not followed or are broken, a Disciplinary Hearing may be held and, in the event the Club is found to have violated the Policies and Regulations contained herein, the Club may lose its right to participate in the Player Loan Program, may also be fined up to \$1000

for each violation of these Policies and Rules, and any games the player participated in may also be forfeited.

### **TRANSFER PLAYER RULE**

A. Any player who transfers from one (1) CSL team to another CSL team from September 1<sup>st</sup> thru December 10<sup>th</sup> may not participate in any further CSL League and/or CSL League Cup games for the remainder of the current league season. This provision includes transfers for players within the club they are currently registered with.

B. The above rule does not affect any play, tournaments or other events outside the scope of CSL League and CSL League Cup games.

### **SECTION 13. FIELDS AND FIELD ETIQUETTE**

#### **FIELD REQUIREMENTS AND GAME DAY PROCEDURES**

A. All Clubs must submit a current year Field Parameters Form online, detailing all field information requested. The Scheduler will strive for the maximum use of each field on a home-and-away basis, with consideration given to referee availability.

1. Each Club must submit a field for Saturday and Sunday play and permitted to start play at 8:00AM and end play at dusk (10:00PM if lighted). The Club may submit separate Saturday and Sunday fields to satisfy this requirement.

2. Each field submitted must be a minimum of one hundred (100) yards long and fifty (50) yards wide for all 11 v 11 teams; and a minimum of forty (40) yards wide, up to a maximum of fifty (50) yards wide, and a minimum of seventy (70) yards long, up to a maximum of eighty (80) yards long, for fields used by shortsided teams. For 9 v 9 teams: Clubs may choose to provide an additional field for 9 v 9 only, that is up to fifty-five (55) yards wide and eighty (80) yards long.

3. Each field submitted must be available beginning the weekend after Labor Day through the end of November.

4. Based on a full day of playing time (9 hours) as outlined above, up to nine (9) teams may be assigned per field.

5. A minimum of five (5) 11 v 11 teams must be assigned to a full sided field to accommodate referees.

6. Each field submitted must have a valid permit issued by the appropriate authority for the dates and times listed on the Field Parameters Form. A copy of the field permit must be submitted to the CSL Gaming Circuit prior to July 20<sup>th</sup> each year.

7. Each field must have additional named insurance designees as required by the appropriate field authority naming all entities as required by the field authority and also naming Coast Soccer League as an additional insured party. Said additional named insured certificates may be obtained through Cal South. Contact Cal South for the insurance application.

B. No Team, Club or League of Registration may charge for parking for home games unless the CSL Board of Directors approves of said charge. Any Team, Club or League of Registration requesting approval for charging a parking fee for its home games must submit its request to the CSL Board of Directors prior to July 21<sup>st</sup> each year.

C. The term "Home Field" may represent a field closest to the geographical area of the home team rather than the team's own field. Use of "common fields" is necessary for assignment of referees for complete coverage of games. In order to use a field as a "common field", the CSL Board of Directors must obtain permission from the authorized user (Team/Club/League) that holds the permit for that field. 7 v 7 and 9 v 9 teams may be placed on "common" venues.

D. On a "common" field, the home team scheduled for the first game of the day shall be responsible for the condition of the field of play, the proper field marking, and the proper equipment set up, i.e. goal posts, nets and corner flags. It is the responsibility of each team to have a game ball.

E. In the event a field is not playable or not available, it is the responsibility of the home team to notify the Scheduler and THEN NOTIFY ALL TEAMS SCHEDULED TO PLAY on the field at least 48 HOURS prior to the scheduled game time.

F. A field may be declared not playable by the Scheduler twenty-four (24) hours prior to the scheduled game(s) on information supplied by the proper non-club field authority, i.e. school district, park, recreation district, or referee.

G. If a game has not been canceled or postponed by one of the methods listed above, regardless of the circumstances, all parties involved must proceed to the playing field and prepare to play observing game time regulations. The field may then be declared not playable by the field authority or referee. Cancellation of a game scheduled earlier on a particular day does not apply to succeeding games and each team is responsible for following the proper procedure. In the event a field permit is canceled by the facility owner, or a field is closed by the home Team/Club/League, the CSL Board of Directors shall make the determination as to whether the game/games shall be rescheduled or declared a forfeit against the home team.

#### **FIELD ETIQUETTE**

A. Coaching from the sidelines is permitted, subject to the following conditions:

1. Coaching is permitted only within ten (10) yards in either direction of the halfway line.
2. Coaching shall be of a technical or tactical nature, consistent with the game of soccer, i.e. giving directions to one's team on points of strategy and

position.

3. The Team's Administrator and/or Coaches language and attitude shall be such that it is not conducive to misconduct or violence. It shall not result in verbal or physical abuse of the referee or other players on the part of the team's players, parents, administrators, coaches or spectators.

B. The Team Administrators and Coaches are responsible for their sidelines and they may receive sanctions because of inappropriate behavior from players, parents and spectators on their sidelines.

C. Credentialed Team Administrators and/or Coaches MUST have a USYS white laminated Coach and/or an Administrator Cal South laminated card to be within the technical area (the team bench). Such Credentialed Administrators and/or Coaches MUST be on their sidelines at ALL TIMES during the game, or the game will be forfeited by the team without the Coach and/or a Administrator laminated card. In an EMERGENCY, any Cal South Administrator/Coach of any Cal South League/Club who holds at least a USSF "F" license with a current approved Risk Management designation may coach the Team.

1. If a team that started the game meeting this requirement ceases meeting the requirement during the game due to any reason, i.e. administrator ejected, had to leave, etc., and no other carded coach and/or carded administrator is present, the team will immediately forfeit the game and the game will be terminated. It is suggested that each team have at least two (2) licensed and registered coaches/administrators to avoid forfeiture due to the absence of one of the coaches.

D. Administrators/Managers with Risk Management and a USYS white laminated Administrator pass may sign the match report and be responsible for all paperwork for the team.

E. Teams may be expelled from further competition for conduct unacceptable to the field permit holder by the CSL Board of Directors.

F. It is recommended that each team have a First Aid Kit available at each game and practice.

G. Mechanical/electric audio devices, such as megaphones, noise makers and walkie-talkies, shall not be used at any CSL Gaming Circuit competition except at the CSL Gaming Circuit League Cup Finals and then only for the purpose of announcing teams at the awards ceremonies by the CSL Board of Directors or its designee. NO DRONES WILL BE ALLOWED AT CSL GAMES.

H. All players, parents, administrators and spectators of each team must, where possible, stay on their respective side of the field (at least five (5) yards off the sideline) during all games. Administrators shall have the right to request the

referee to enforce this rule during the game. Failure to comply with these rules shall, at the referee's discretion, result in the game being suspended. The offending team may be brought before the CSL Board of Directors or its designee for disciplinary action.

1. Respective side shall be determined by the HOME TEAM. The HOME TEAM shall select its side of the field and the VISITING TEAM shall go to the opposite side of the field. The HOME TEAM is the team that is listed 1<sup>st</sup> on the CSL Match Report.

#### **SECTION 14. TEAM COLORS, UNIFORMS AND PLAYER SAFETY**

A. Each player participating in the games shall be in a complete uniform, with permanent numbers six (6) inches tall or larger in a contrasting color. No uniform may display a number larger than two (2) digits. Example: 99 is acceptable. 100 or higher is not acceptable. Uniforms must be clean and presentable at the start of each game with shirts tucked in and socks pulled up over the shin guards. These requirements also apply to alternate uniforms.

B. The Goalkeeper of each team shall wear a shirt that does not resemble the shirt colors of either team, as judged by the referee.

C. When the colors of two (2) competing teams are similar to the point of confusion during play, as judged by the Referee, the home team (the 1<sup>st</sup> team listed on the CSL Match Report) shall change shirts. In the event that a team's uniform conflicts with the uniform of the Referee and the Referee elects not to change, the conflicting team **MUST** change to its alternate uniform.

D. It is recommended that each player use an approved type of soccer shoes, however, tennis shoes may be worn. Any type of shoes determined to be unsafe by the Referee shall not be worn in the game.

E. All players **MUST** have an individual uniform number assigned at the beginning of the season, which shall not change for the duration of the CSL Gaming Circuit competition. This number must be displayed on the player's uniform during any CSL Gaming Circuit competition in which the player participates.

F. The CSL Board of Directors must approve all advertisements (including sponsors) on uniforms.

#### **PLAYER SAFETY**

G. No player shall be allowed to play in any regularly scheduled Circuit or Circuit League Cup game with an injury that can be aggravated by playing or which constitutes a danger to others.

H. A player must not use equipment or wear anything that is dangerous to himself/herself or another player, including jewelry. (FIFA Law IV)

I. Shin guards are mandatory for all players in practice, games and tournaments.

J. No player may wear a hard/plaster cast in any CSL Gaming Circuit game. Two (2) Disciplinary Points shall be applied for each Double Yellow Send-off received (collectively considered as having been given a Red Card). Three (3) Disciplinary Points shall be applied for each straight Red Card/Send-off received.

10. Any team accumulating twenty (20) Disciplinary Points during the season shall be subjected to a loss of (1) point in the appropriate standings. If thirty (30) Disciplinary points are accumulated during the season, two (2) additional points shall be deducted from the team's standings (for a total of three (3) points in the standings). In the event a team accumulates forty (40) Disciplinary Points in the season, the team shall be immediately suspended from further participation in CSL Gaming Circuit sponsored events. If a team is suspended under this rule, all games played and yet to be played for the current season may be declared forfeit.

11. A second caution (double yellow/red) given for non-violent fouls will result in the player serving suspension for the remainder of the existing game and the next game played. This infraction does not count towards a send off (two game suspension, or a second send off four game suspension). However, it does count as two points against the team's disciplinary point accumulation. As with all penal fouls, second cautions (double yellow/red cards) cannot be appealed.

H. Any administrator found guilty of coaching while on suspension shall be subject to a fine and/or an additional period of suspension and their team may be subject to forfeiture of the game. To aid in the enforcement of this rule, coaching is defined as any interaction or communication of any kind with any player, any interaction or communication of any kind with the opposing coach/team, and any interaction or communication of any kind with game officials, AND/OR being within visibility of the field and/or Complex on game day. Violation of any of the above will be in violation of the suspension.

I. The CSL Board of Directors may also recognize the suspensions and rulings of equal organizations that are affiliated with USSF.
