CSL 5 STAR RATINGS

TEAMS REVIEW

Average Star Rating

4.38

Out Of Possible 5 Stars

Games have been played, standings have been published, and the winners on the field have been recognized. But beyond the scoreboard CSL's 5 Star rating system allows everyone to look beyond the scoreboard and identify winners in life.

CSL 5 Star ratings highlight how your peers and referees rated you. Did you show respect, did you play the game the right way, and were you part of a positive game day experience? The average SEASON rating for all teams involved with CSL was 4.38. Each teams rating is based on the culmination of the ratings they received from their opponents and the referee after each game.

Median Team Rating

The Fall 2023 season saw a total of 1612 teams, from 178 Clubs, compete in over 11,000+ games. After each game coaches, team managers and referee's are asked to use the CSL APP to rate each team based on team sportsmanship, coach behavior, parental sideline behavior and respect shown to the referee.

Are You A Parent?

Many factors are at play here, but parents may instinctively understand that ratings for the younger teams are highest, and are the lowest during the teenage years. This chart shows the average rating per team by age group.

Average Rating: Boys Vs Girls Games

On average, we found that Female teams rated their peers higher than the Male cohort.
