RECOGNIZE & REWARD

We respect that competition is the essence of sports - heck our league is structured around this thinking - and we provide the opportunity for teams and players to showcase their skill. But at CSL we believe that higher performance and skill is something earned through the process of hard work and striving to do ones best on and off the field.

While we honor the results on the field, we believe the greatest value of participating in sport, is the role it plays in the development of character, values, and life skills. Through the lessons learned playing the game, young girls and boys grow and emerge as young women and men, better prepared to create their own personal success story. These young men and women will become the leaders, educators, parents and influencers of the next generation, and at CSL we celebrate the people who dedicate themselves to this process.

Our proprietary Five Star recognition program has for many years highlighted the clubs, coaches, teams, and officials that dedicate themselves to the positive behaviors that support the development of these young men and women. And this season we have introduced our Player of the Month initiative to once again put a spotlight on the commitment to the development of life skills including respect, teamwork, and good communication.

RESPECT + **TEAMWORK** + **COMMUNICATION**

Each month* every team in the league will honor a player who has shown throughout the month a commitment to respect for their own team, the opposing team, and the officials. A player who consistently helps their teammates, and a player who communicates well both on and off the field.

Player of the Month recognizes players, keeps them motivated, and offers parents the opportunity to see their child grow in areas that will help them to succeed both on and off the field.

***There will be a Player of the Month for September, October, and November.** To learn more about the CSL Player of the Month initiative please visit the Coast website.

At CSL we understand the unique aspirations of each Club and we are committed to supporting your efforts with programs like the Player Of The Month, while continuing to provide the most competitive, well run soccer league in the country.

Have a great season.

DOWNTOWN LA SC

BOYS 2007

Downtown L.A. Soccer Club (DTLA-SC) is honored and proud to be part of the highly reputable Coast Soccer League Premier Division. The 2007 boys are led by Coach Alejandro Monzalvo. Everything started for these kids as a trivial game in 2015, where they gave their mind, their body and their passion for soccer a chance. Their love for soccer has been so big that they have given everything in each of their games to go up from bronze to premier where they have remained. Coach Alejandro Monzalvo has worked very hard on and off the field so that each and every one of the boys achieve their goals.

Even though the boys play very hard and give their best on the soccer field, we teach them respect for the sport and its opponents. We hope to improve our weaknesses this season. The Boys also challenge themselves by being good students and athletes by taking AP and Honors classes at their schools and being able to continue as athletes in college and be able to meet their goals. 90% of the team has a GPA above 3.0.

Even though we have not received help from anyone, nor sponsorship, we have been able to move forward until where we are right now. We were finalists in the Manchester City Cup in 2024, We won the season in 2023, and won the Super Cup in Arizona in 2022.

FUTBOL LEGACY WOLVES NORWALK

BOYS 2007

As the majority of the Boys enter their senior year of high school, we reflect on the remarkable accomplishments of these young men over the past four years, without overlooking the hard work they've been putting in since 2018, when most of the players in this group first came together. From 2022 to 2024, the Boys have competed in three consecutive National Cup Finals, winning the U-15 title and most recently the U-17 title this past spring. They also won the California Regional League in 2023 as U-16s and represented Calsouth at the FarWest Regionals in 2022 and 2023, reaching the semifinals both times. Unfortunately, the team could not travel to Hawaii for the 2024 tournament due to the high costs.

In December 2023, they competed in the National League Conference Playoffs at the ESPN Complex in Orlando, where they won all three of their matches against highly rated teams from New Jersey, Ohio, and Wisconsin. In these games, the Boys displayed remarkable resilience, coming back from a 3-0 deficit to beat the Croatian Eagles (Wisconsin) 6-5 and from 2-0 down to beat FC Spire (Ohio) 3-2. Their determination in these comeback victories was truly inspiring. As bracket champions in Orlando, the Boys advanced to the National PRO Championship round in Oceanside last May, where they played for a spot in the 2024 National Finals in Orlando. They lost in a heart-wrenching penalty shootout to the Indiana Hoosiers after leading 2-1 with just 8 minutes remaining before conceding the tying goal.

While this was a difficult loss, it has only fueled the Boys' determination as they head into their final year as club and high school players. They are all working hard to pursue their goals in both soccer and academics, with many aspiring to play college or professional soccer. They fully understand the dedication, commitment, and sacrifices required to achieve their dreams. Coaches, parents, siblings, and friends are immensely proud of all the Boys have accomplished and will continue to support them every step of the way. We will also forever cherish the memory of our beloved Ayden Gomez, who remains a part of the team and continues to cheer on the Boys from above.

LIGHTNING SC

BOYS 2008

Lightning SC 2008 was established in 2018 at Antelope Valley, California in the City of Palmdale. The journey began at a local recreational league Palmdale Youth Soccer League in 2014, and continued with a local competitive league, Palmdale's Universal Soccer League. Coach Sergio Almaguer has carried the team together with assistant Coach Jose Herrera, and team Manager Marcela Almaguer. They made their competitive move to join Lightning SC, and have earned every single recognition, they have been loyal to Lightning SC since they joined in 2018, and have continued playing at the competitive level with Coast Soccer League.

Our boys 2008 team embraces the opportunity to play at the premier level, as they earned it in the last two years by playing high level soccer with California Regional league. We are proud of our boys for earning this opportunity, and thank CSL for the Invitation.

Lightning Soccer Club is a small but solid club in the AV that open its doors to our community in 2008. As a small club we have managed to earn two Premiere invitations for our boys 2010, and boys 2008 teams, two Championship teams boys 2012, and girls 2008, and one new boys 2014 team beginning its Journey.

As our mission is to provide high quality student athlete development through the beautiful game of soccer, challenging our athletes to reach their highest potential while promoting personal growth. Coaching with the mentality of body, mind, and spirit.

Lightning SC 2008 understands the meaning of hard work, sacrifice, and consistency as they have earned every single rank from bronze, silver, silver elite, gold, invitation to premier, and California Regional league. The team is very active with attending tournaments, Lightning SC 2008 has won this tournaments- Cerritos Memorial Cup Tournament, CopaCabana Summer Cup and Summer Thousand Oaks.

Our Parents are of great support, and the backbone of maintaining our team's consistency and generating a positive environment on and off the field.

The boys are looking forward to a challenging premiere season and our team sends its best regards to all our opponents. Good luck to everyone participating this season!

OXNARD PAL SC

BOYS 2010

The Oxnard Police Activities League (Oxnard PAL) is a citywide, after-school crime prevention program designed to foster positive relationships between youth, police officers, and the community. It serves young people aged 7 to 18, with a special focus on at-risk youth, offering a variety of recreational, educational, enrichment, and nutrition programs. Many of the participants come from low-income families, and the programs aim to provide them with opportunities for growth and development.

Oxnard PAL Youth Soccer is a year-round program that offers soccer opportunities to youth of all ages, including traveling teams. The program provides free soccer training and development, helping participants enhance their skills and team play.

This year, the Oxnard PAL Boys 2010 (OPB2010) Traveling Club Team is joining the Premier division of the Coast Soccer League for the first time. The team has a history of success, having won several high-level tournaments and recently competing in college showcases across California, with plans to expand nationwide.

One of the primary goals of the Oxnard PAL B2010 team is to prepare players for success both on and off the field. In partnership with Athletēs2College, we aim to inspire players to pursue higher education, ideally through soccer scholarships. The focus is on encouraging players to strive for academic excellence and think about their future education from a young age.

We are excited to compete in the CSL Premier League for the first time this year!

JEWEL CITY UNITED

GIRLS 2007

Jewel City Girls have come a long way to reach to the final year of their club soccer season. Most of girls started playing recreational not knowing the basics, however with coach Edgar's guidance they learned the fundamentals and love of the game and slowly moved up the ladder to play in one of the top leagues. From bronze division to now playing strong tournaments and showcases competing with elite competition surprising the opposition.

The togetherness and family oriented values bonded these girls from young age until now the final season. Along the years new players joined our team and quickly become part of the family and fought for each other on and off the field for each other.

Coming to the final club season for most of the Jewel City United 07 Girls they are here to show what they are capable of and do the best to win the upcoming season. Good luck to all the teams and we will see everyone on the soccer pitch.

S1 ALLIANCE: MV ANARCHY

GIRLS 2009

Established in 2013 Anarchy has come from humble roots and we stay connected to the true spirit of the sport. Last year we joined the Premier League for the first time and we were challenged to be better every week. We are looking forward to putting our progress to work in this years season. We are a family centered team that loves and respects the sport of soccer. We believe in hard work, laughter, and take soccer seriously while at the same time we remember not to take ourselves so seriously. Our team plays hard and is very successful, we hold each other accountable and show those around us respect. Many of the team have been together their entire soccer lives and have picked up new family members along the way to make our team what it is today. We are proud of who we are, how we represent ourselves as individuals and as a team. We openly discuss life, grades, goals, and who they want to become. With most our young ladies in High School now there is plenty of stress in their lives and we do our best to ensure while they are on the soccer field that it does not exist, the pitch is their place of serenity.

Team Philosophy: Coaches Coach, Players Play, Parents Cheer. Win with Character, Lose with Dignity. Alone we can do little; together we can do anything.

Team Rules: Have fun, learn, work hard, laugh harder, believe in yourself and your teammates! Sportsmanship will be demonstrated at all times. Be kind to each other, no drama-zero tolerance. Be great examples and represent our City and Team with dignity when we play games. Respect yourself and those around you and all times.

One of our new players shared this, "Playing for Anarchy for the last few months has been the best thing that has happened to me. Since joining the team I have received nothing but a welcoming environment from the coaches and my teammates."

JEWEL CITY UNITED

GIRLS 2009

Jewel City United 2009 Girls team with the guidance and leadership of Coach Edgar Akopyan is ready for the challenge of playing at the Premier level. Although the team was created not too long ago, the undeniable chemistry amongst the girls is the leading force in their success. They may be the underdogs in the competition, however they are eager to compete and leave a memorable mark in the league.

Jewel City United 2009 Girls team is an ambitious and inspiring team of players that are eager to compete together. These rear jewels are more than just a team, they have become sisters on and off the pitch. They are able to come together as one under pressure and adversity. They are ready for the challenge of playing together for the first time against seasoned teams and showcase their skills and knowledge of the game.

Coach Edgar's philosophy runs parallel to the club's mission of development and sportsmanship, and not only does he develop great players, but also build character and self-esteem.

Jewel City United 2009 Gils team would like to wish all of the teams a successful season, including our sister group, Jewel City United 2007 Girls team. Looking forward to all of the competition and a wonderful season.

LA QUINTA FC

GIRLS 2009

In the sun-soaked town of La Quinta, California, there's a group of young girls whose soccer journey has captured the hearts of many. Initially forming their roots as Drako FC and now proudly representing as La Quinta FC, this team from the Coachella Valley has become a symbol of dedication, resilience, and community spirit.

For the past four years, these athletes have shared an incredible adventure, filled with both challenges and triumphs. Their commitment to each other and their sport has paid off, culminating in their well-earned title as State Cup Champions in 2024. But their story is about more than just winning trophies—it's about the journey they've taken together.

Their preparation for success has been intense and deeply personal. To build the stamina needed for high-level competition, the girls have trained on rugged desert trails, pushing themselves to their limits. This has been more than just physical training; it's been a test of their mental toughness. Competing against boys' teams has also been a crucial part of their growth, providing them with unique challenges that have sharpened their skills and deepened their resolve.

Recently, their hard work led them to Salt Lake City, Utah, where they competed against top teams from 13 states. Their performance was nothing short of remarkable, earning them the title of Finalists in this major regional tournament. This impressive achievement earned them a place at the National Championships in Wichita, Kansas—where they competed against teams from the final 8 states left standing.

But the heart of their story goes beyond these accolades. It's about the late-night practices, the laughter and struggles shared on the field, and the unwavering support of their families and community. Each challenge they've faced—from tough training sessions to intense matches—has brought them closer together, creating a bond that goes beyond the game.

Their journey is also opening doors to future opportunities. Participation in major tournaments brings opportunities to be seen by college scouts and elite programs to take notice, including the Olympic Development Team where several of their members have been previously invited to try out, the team's talent is being recognized on a broader stage.

Made up of girls aged 14 and 15 from various corners of the Coachella Valley, this team embodies what can be achieved through passion, hard work, and a strong sense of community. Their story is a powerful reminder of the difference that support and dedication can make. Watching them play is seeing a beautiful narrative of perseverance, unity, and joy—a testament to what's possible when a community rallies around its young athletes and helps them chase their dreams.

LAZERS SC

GIRLS 2010

The La Verne Lasers G2010 are proud to be part of the CSL Premier League for the 2024 fall season. Going into our 4th season together, the team has retained 11 of our 15 original players and expanded the roster to 19 with the addition of key players. Our focus has always been on developing our players' skills rather than heavy recruiting, and we continually challenge them to find their roles and contribute to the team's success.

The team has achieved notable success in various competitions, including finishing 1st in 2021 Bronze South, 1st in 2022 Division 2 South, 2nd in 2023 Championship South, 2023 League Cup finalist, 2024 State Cup Presidents finalist, SoCal Cup 2024 finalist, 2023 SWSC Summer Classic finalist.

In addition to soccer, most of our players are multi-sport athletes, participating in tennis, volleyball, track, cross country, and competitive snowboarding. Our diverse athletic group has evolved into well-rounded scholar athletes with the exceptional support of our outstanding group of parents.

We are thrilled and honored to participate in the CSL Premier League and eagerly anticipate the competition ahead. Best of luck to all teams in our bracket!

CENTRAL COAST SURF

GIRLS 2010

The Central Coast Surf Girls 2010 Elite team, under the guidance of Head Coach Manuel Zarate and Assistant Coach Phil Dix, is poised to make a significant impact in the CSL Premier Division. This talented group of young athletes has been honing their skills together for nearly three years, and their impressive track record speaks volumes about their dedication and ability.

Since their formation, the team has achieved remarkable success, capturing numerous titles in both league & tournament play throughout California and even out of state. Several players have also participated in Surf Select, Regional Surf Select, National Surf Select, Far West Regionals and ODP Player Pools.

Beyond their athletic achievements, the Central Coast Surf Girls 2010 Elite team is committed to upholding a strong code of conduct. They prioritize sportsmanship, respect for opponents, referees, and coaches, and strive to create a positive and supportive environment for all involved. The team's dedication to fair play and teamwork sets them apart and contributes to their success.

Representing a diverse range of communities along the Central Coast, from Lompoc to Paso Robles, the girls are not only talented soccer players but also excel in their academic pursuits. Their passion for the sport combined with their commitment to education makes them a formidable force on and off the field.

As the Central Coast Surf Elite Girls 2010 team enters the CSL Premier Division, they are eager to showcase their skills and represent their region at the highest level. With their strong foundation, talented players, and dedicated coaching staff, they are well-prepared to compete against top teams from Southern California and leave a lasting impression on the league.
